**STEWARDS EARLY A.M. – 501-363-4370**

We are excited to welcome you to Oaklawn for the 2023-2024 season where we will be offering record purses for the 16th straight year. There has never been a better time to be part of the Oaklawn racing program as we begin our 66-day meet featuring a 47-race stakes schedule. Highlighting the rich stakes schedule is the \$1.5 million Arkansas Derby (G1) and three \$1.25 million races - the Rebel Stakes (G2), Oaklawn Handicap (G2) and Apple Blossom Handicap (G1).

Under the leadership of our president Louis Cella, racing remains the driving force at Oaklawn and in addition to our luxury hotel, spa and event center, we have spent millions over the last few years to improve our barn area, racetrack, Grandstand and fan experience.

We hope you will be as excited as we are about a racing program that offers the richest winter purses in the country, including allowances races with a minimum purse of \$140,000.

We wouldn't be where we are now without the support of our horsemen. Please don't hesitate to contact the racing office if you need any assistance.

Sincerely,

Patrick J. Pope, Racing Secretary

# OAKLAWN TRAINER'S INCENTIVE PROGRAM

## December 2023 – May 2024 Racing Season

- Oaklawn and the Arkansas HBPA will honor Thoroughbred trainers with a Trainer's Reward.
- Beginning Friday, December 8, 2023 (the first day of the Oaklawn racing season) and continuing through Saturday, May 4, 2024, trainers will be eligible to receive (i.e., will accrue) a \$250 Participation Bonus for each official starter in a non-stakes race at Oaklawn finishing fourth (4th) through last in the final race result.
- In order for the trainer to earn and receive (i.e., in order for the trainer to be paid) the trainer's accumulated Participation Bonuses, the trainer must have at least one (1) official starter in any race at Oaklawn during the last eight (8) racing days of the December 2023 – May 2024 Oaklawn racing season.
- Participation Bonus checks for Participation Bonuses earned and payable in accordance with this program will be deposited into trainer accounts in the Horsemen's Bookkeepers office after the end of the December 2023 – May 2024 Oaklawn Racing Season (i.e., after May 4, 2024), and on or before May 14, 2024.
- No Participation Bonus will be accrued or awarded for any horse that is unable to start for any reason.
- The Participation Bonus payments shall be made from the portion of the purse fund generated by horse racing (other than the portion of the purse fund from monies required by applicable law to be used only for purses).
- An eligibility committee consisting of the State Steward, the President of AR HBPA, and Oaklawn VP of Racing shall have the authority to monitor the program for integrity, and to deny and rescind Participation Bonus(es), where the eligibility committee finds that the trainer entered horse(s) that clearly should not have been entered under the circumstances merely in order to receive the Participation Bonus, or otherwise took clearly inappropriate actions in bad faith to wrongfully affect the accrual or payment of any Participation Bonus contrary to the purposes and intent of the program. The eligibility committee shall grant the trainer fair opportunity for a hearing prior to rendering any final decision to deny or rescind any Participation Bonus to which the trainer would have otherwise been entitled to receive.
- AR HBPA board members and Oaklawn management will each evaluate the program after May 4, 2024 to determine whether they both desire to continue the program during the next racing season; and if so, any mutually agreed revisions to the terms of the program.

# OAKLAWN OWNER'S INCENTIVE PROGRAM

## December 2023 – May 2024 Racing Season

- Oaklawn and the Arkansas HBPA will honor Thoroughbred owners with an Owner's Reward.
- Beginning Friday, December 8, 2023, (the first day of the Oaklawn racing season) and continuing through Saturday, May 4, 2024, all owners, regardless of where their horse finishes in an Oaklawn race, will be eligible for an Owner's Reward of \$200 as long as certain criteria are met.
- The Owner's Reward payments shall be made from the portion of the purse fund generated by horse racing (other than the portion of the purse fund from monies required by applicable law to be used only for purses).
- Owners of horses competing in Allowance, Allowance Optional Claiming, Starter Allowance, and Starter Allowance Optional Claiming races at Oaklawn where seven (7) or more horses entered in the race arrive in the paddock for the race (i.e., excluding horses scratched before arriving in the paddock) will be eligible for (and paid) the Owner's Reward for that race.
- Owners of horses competing in Maiden Special Weight, Maiden Claiming, and Claiming races at Oaklawn where eight (8) or more horses entered in the race arrive in the paddock for the race (i.e., excluding horses scratched before arriving in the paddock) will be eligible for (and paid) the Owner's Reward for that race.
- Owners of any horses that are scratched for any reason after arriving in the paddock will also receive the Owner's Reward for that race.
- Stakes races are excluded from the Owner's Reward program.
- An eligibility committee consisting of the State Steward, the President of AR HBPA, and Oaklawn VP of Racing shall have the authority to monitor the program for integrity, and to deny and rescind Participation Bonus(es), where the eligibility committee finds that the owner/trainer entered horse(s) that clearly should not have been entered under the circumstances merely in order to receive the Participation Bonus, or otherwise took clearly inappropriate actions in bad faith to wrongfully affect the accrual or payment of any Participation Bonus contrary to the purposes and intent of the program. The eligibility committee shall grant the owner/trainer fair opportunity for a hearing prior to rendering any final decision to deny or rescind any Participation Bonus to which the owner/trainer would have otherwise been entitled to receive.
- AR HBPA board members and Oaklawn management will each evaluate the program after May 4, 2024 to determine whether they both desire to continue the program during the next racing season; and if so, any mutually agreed revisions to the terms of the program.

### ENTRIES

#### WHEN MAKING ENTRIES:

DIRECT LINE: 501-363-4300 • FAX LINE: 501-363-4319

Entries close daily at 10:30 a.m., or at such time when all entries have been taken. Racing office will be closed Wednesdays and Thursdays.

Race Day	-	Entry Day
Friday	-	Friday
Saturday	-	Sunday
Sunday	-	Monday

**\*Unless Otherwise Noted. No jockey agents can make entries after 9:30 a.m.**

**It is the responsibility of each trainer to make certain the correct sex and ownership of each horse is on the foal papers or digital certificates. Trainers are subject to fines.**

No horse may be entered in more than one race on the same day. No more than two horses of the same interest shall be entered in any one purse or overnight event. However, if a race is divided each half shall be considered as a separate race.

Every entry in a purse race must be in the name of a person having ownership in the horse, and the full name of every person having ownership in a horse, or, excepting the trainer's percent, and interest in its winnings, must be registered with the racing secretary, as must be every change in such ownership or interest thereafter made during the meeting.

Oaklawn Jockey Club, in order to present the best program possible, reserves the right to divide any race in the condition book or use an extra race before using a substitute race.

Horses penalized in a race shall not be entitled to any of the allowances in such race. Horses not entitled to first allowance in a race are not entitled to second, and if not the second, then to no subsequent allowance. Winners or non-winners stated sum means winner or non-winner of a single race of that value to the first-place horse.

The maximum number of starters in any race shall be limited to the number of starting positions afforded by the starting gate. The maximum number of starters shall further be limited by the number of horses which, in the opinion of the stewards, considering the safety of horses and riders, can be afforded a fair and equal start.

If the number of entries in any purse race exceeds the number of horses permitted to start, starters shall be determined by lot in the presence of those making the entries and post positions shall be in order in which they are drawn. The same method shall be employed in determining starters and post positions in races that are divided.

Handicap (stakes and overnight) preferences will be given to high weights. In allowance stakes, if the number of entries exceeds the limitation of the Oaklawn starting gate, preference will be given to horses that have accumulated the highest earnings.

A fully paid entry in a stakes race, when denied the opportunity of starting because the number of entries exceeds the capacity of the Oaklawn starting gate, will be entitled to a refund of the nomination and/or entry box fee. Oaklawn reserves the right to change or withdraw any unclosed race.

No entry shall be received of any horse not stabled on the Oaklawn grounds, unless its stabling elsewhere has been approved by the racing secretary.

No entry will be received except upon the condition that all disputes, claims and objections arising out of the racing or with respect to interpretation of the conditions of any race shall be decided by the stewards and their decision upon all points shall be final.

The entries of any person, or the transfer of any entry, may be refused with or without either notice or reason being given.

The franchise holder, with permission from the stewards, shall have the right to refuse acceptance of any nomination to any stakes race, and to revoke any previously accepted nomination, for any reason. If a nomination is denied or revoked, all nomination fees tendered or paid with respect to the horse for its nomination for such race shall be returned to the owner of the horse whose nomination was denied or revoked. Denial or refusal to allow a horse to enter or start because of race being postponed or cancelled; overfill of entries; failure to satisfy any eligibility condition; scratch by stewards for horse's actions in paddock, during warm-up, or in starting gate (including breaking through the gate), scratch by stewards on advice of track veterinarian, or scratch by stewards for violation of any other rule, shall not be grounds for refund of any fees.

In all overnight races, winners are preferred unless otherwise specified.

### **UNCOUPLED SAME OWNER ENTRIES**

UNCOUPLING OF SAME OWNER ENTRIES IN CLAIMING RACES \$20,000 AND ABOVE, MAIDEN SPECIAL WEIGHT, ALLOWANCE AND STAKES RACES. (In races that overfill, trainers must declare preference of runners at time of entry. Same owner second choice horses will be least preferred.)

### **RUN BACK POLICY**

A HORSE THAT STARTS IN A RACE LESS THAN NINE (9) DAYS AFTER THE HORSE'S LAST START (i.e., WITH LESS THAN NINE (9) DAYS REST), MAY NOT **START** IN A RACE AT OAKLAWN FOR A PERIOD OF FOURTEEN (14) DAYS AFTER STARTING WITH LESS THAN NINE (9) DAYS REST. This house rule may be modified, suspended or revoked by Oaklawn at any time.

### **SPECIAL WEIGHT ALLOWANCES**

THE ALLOWANCES BELOW ARE PROGRAMMED TO BE TAKEN UNLESS TRAINER WAIVES THE WEIGHT AT THE TIME OF ENTRY.

In all overnight races at this meeting at a distance of one mile or over, the following allowance may be claimed without respect to other allowances (except maiden allowance). For horses that have never won a race at a mile or over: Three-year-old and upwards allowed 3 lbs.

Weight allowances for Arkansas-breds in non-Arkansas-Bred races, excepting Stakes Races: Three-year-olds and upward allowed 5 pounds.

### **PREFERENCE DATE**

Preference dates will not supersede conditions of a race. Horses will not be eligible to receive a date until their papers or digital certifications with valid Coggins are on file in

the racing office. All horses registered prior to **NOON, Tuesday, Nov. 28** will receive a zero (0), which is the lowest possible date. A horse keeps his zero until he runs; scratches or the papers are removed from the office. All horses registering after **NOON, Tuesday, Nov. 28** will receive a one (1) or preference corresponding to the day of the meeting when registered. A zero has first preference.

Preference dates are good at any distance. Horses that run or have the opportunity to run will receive a preference corresponding to the date they race and lose all dates previously held. This excludes stakes and handicaps. Horses which scratch or are scratched will keep their preference as if they had run. An up to date preference list will be made available after the overnight list is out. Any omissions, discrepancies, errors, etc. must be lodged prior to the next drawing of entries.

All horses placed on the Stewards, Veterinarian or Starter lists will be posted on the bulletin board. They will not be permitted to run until they have been approved. Horses which have established a date at the current meeting will lose their preference should their papers be withdrawn from the racing office or demonstrate intent to race elsewhere, and must reestablish a preference date at this meeting. Should a horse's papers be withdrawn from the racing office for just cause, (i.e. tattoo, corrections, change of ownership, or clarification, etc.) the racing secretary may determine the status of the preference date established.

In no way does the claiming, ownership transfer or trainer transfer of a horse affect the preference date.

When a horse's name appears in a race, other than a Stakes, and is entered for the following day, such entry must have permission from the racing secretary and will be given no consideration should the race in which it is entered be overfilled. It is the responsibility of a person making an entry to claim preference at time of entry. The stewards will consider no claims that do not comply with the above regulations.

**Any registered Arkansas-bred horse which is entered and runs in a non-restricted (open) race will be allowed to retain the preference date received either from most recent Arkansas-bred restricted race or if unraced at the current meet, the date when registration papers were filed with Oaklawn racing office.**

**Any registered Arkansas-bred horse which is entered and subsequently scratched from a non-restricted (open) race shall receive the new preference date corresponding to date of the race from which it was scratched.**

## ELIGIBILITY

Oaklawn will not allot stall space or accept entries of horses which raced for a claiming price less than \$5,000 unless they thereafter have finished first, second, third or fourth for \$5,000 or more. No maidens three-year-olds and up which has started for a claiming price of less than \$7,500 unless it has subsequently finished second, third or fourth for \$7,500 or more will be eligible to start or be granted stall space. However, no horse can run itself ineligible at the Oaklawn meet.

No maidens six (6) years of age or older unless expressly approved by the Racing Secretary and the Stewards. No maidens age seven (7) and older will be eligible.

No horses age 10 and older unless expressly approved by the Racing Secretary and Stewards.

**No foals of 2022** will be permitted on the grounds.

Trainers must name a rider by the time of draw. A rider can be named on only one horse in a race unless second horse is part of a coupled entry. Failure to name a rider will require the stewards or an appointee to select one. The same rider may be named on both parts of an entry and remain on, with the Steward's permission, until 10 a.m. on RACE DAY. At that time both parts of the entry shall have different riders or one part of entry scratched.

A Rider may only have a first call and a second call. Only one in the body of the race and one on also the eligible.

## PURSE DISTRIBUTION

### ARC HR 2260. Purse distribution

(a) Stakes races. In stakes races, 2.5% of the purse shall be paid with respect to each of the official starters 6th through last in the final race result; and the balance of the purse shall be paid: winner 60%; place 20%; show 10%; fourth 6%; and fifth 4%. For example, in a stakes race with twelve (12) official starters and a \$200,000 purse: 6th through 12th would each receive \$5,000 (i.e., 2.5% each, for a total of \$35,000); and the remaining \$165,000 would then be paid out 60% (\$99,000) to the winner; 20% (\$33,000) to second; 10% (\$16,500) to third; 6% (\$9,900) to fourth; and 4% (\$6,600) to fifth. If there are only five (5) official starters in the stakes race, the purse shall be paid: winner 60%; place 20%; show 10%; fourth 6%; and fifth 4%. If there are less than five (5) official starters in the stakes race, the purse shall be paid in accordance with the specified percentages in the immediately preceding sentence above, and the balance of the purse for the race shall revert to the purse fund.

(b) Non-Stakes races. In all other races (i.e., non-stakes races), purse distribution shall be paid: winner 60%; place 20%; show 10%; fourth 5%; and the remaining 5% shall be divided and paid equally among the other official starters in the race (i.e., fifth through last). However, if there are only five (5) official starters in the non-stakes race, the purse shall be paid: winner 60%; place 20%; show 10%; fourth 6%; and fifth 4%. If there are less than five (5) official starters in the non-stakes race, the purse shall be paid in accordance with the specified percentages in the immediately preceding sentence above, and the balance of the purse for the race shall revert to the purse fund.

## \*\*RULES SUBJECT TO CHANGE PER HISA RULES AND REGULATIONS\*\*

### CLAIMING

**ARC HR 2433.** No money or its equivalent shall be put in the claiming box. For a claim to be valid the person making the claim must have a credit balance in his account with the franchise holder's horsemen's account of not less than the amount of the claim (plus any applicable sales tax).

All claims shall be deposited in the claiming box at least fifteen (15) minutes before the established post time of the race out of which the claim is made. Claim money must be received by the Horsemen's Bookkeeper's office one hour prior to the published post time of the race in which the claim is being made. Only cash, money order, wire transfer or cashier's check will be accepted. A 6.5% percent state sales tax, a 1.5% city sales tax and a 1.5% county tax must be paid by the person claiming the horse. No currency will be accepted with the written claim. If currency is deposited in the claim envelope, the claim will not be considered. Thoroughbred Title to a claimed horse shall be vested when the horse becomes an official starter. A horse is a starter when the stall doors of the starting gate open in front of it at a time when the starter dispatches the horses. A horse claimed shall not be delivered by the original owner until authority has been given by the racing secretary or clerk of scales.

**ARC HR 2444.** (a) Multiple Claims Determined by Draw; Invalid Claims. Except as otherwise provided in Rule 2444(b) below, if more than one claim is filed for the same horse, the title to the horse shall be determined by lot under the direction and supervision of one or more of the Stewards. After title to the claimed horse is determined by lot under this Rule 2444(a), or, if applicable, under Rule 2444(b) below, all other claims on that horse in a race shall be deemed null and void. Accordingly, if the winning claim determined by lot under this Rule 2444(a), or, if applicable, under Rule 2444(b) below, is subsequently ruled invalid for any reason, title to the horse shall be returned to the owner of the horse prior to the lot draw, or, if applicable, prior to the determination of the preferred claimant under Rule 2444(b) below. The successful claimant shall be responsible for all expenses for the care and maintenance of the horse

from the time the horse is transferred to the claimant until the time the horse is returned to the prior owner following invalidation of the winning claim.

**ARC HR 2444(b) Claiming Preference.** An owner who has a horse claimed during the Oaklawn racing season will be awarded a claiming preference (a "Claiming Preference") subject to the terms and conditions of this Rule 2444(b).

- (1) An owner who has a horse claimed during the Oaklawn current racing season will be awarded one Claiming Preference.
- (2) Claiming Preferences cannot be accrued or accumulated. A second Claiming Preference may not be awarded until the first is validly used and the owner using the Claiming Preference is awarded title to the claimed horse. If a Claiming Preference is validly used and the owner using the Claiming Preference is awarded title to the claimed horse, the owner will be issued another Claiming Preference if the owner subsequently has a horse claimed at Oaklawn.
- (3) Claiming Preferences will become valid (and useable by the owner to whom the Claiming Preference was awarded) starting with the first race on the next racing day after the Claiming Preference is awarded. A Claiming Preference may only be used by the exact same owner to whom the Claiming Preference was awarded.
- (4) An owner may use the owner's Claiming Preference on any claiming race through the end of the racing season during which the Claiming Preference was awarded. Unused Claiming Preferences expire at the end of the racing season during which the Claiming Preference was awarded.
- (5) An owner holding a Claiming Preference who desires to use the Claiming Preference must expressly so indicate by marking the proper space on the Claim Card denoting election to use the Claiming Preference for that claim. The use of the Claiming Preference is at the option of the owner with the Claiming Preference (i.e., the owner is not required to utilize the Claiming Preference and may defer use to a later claiming race during the then current racing season).
- (6) If use of a Claiming Preference is noted on the Claim Card when no Claiming Preference is available, the Claim will be invalidated.
- (7) If there are multiple claims for the same horse in a claiming race, claims with a Claiming Preference will be given preference in determining the successful claimant and title to the horse (e.g., if there are multiple valid claims for the same horse in a claiming race, and only one valid claim with a Claiming Preference, the claimant properly utilizing the claimant's Claiming Preference will be determined the successful claimant, and title to the horse shall transfer to that claimant without lot draw/shake).
- (8) If there are multiple claims with Claiming Preferences for the same horse in a claiming race, only claims with Claiming Preferences will participate in the lot draw/shake, and the successful claimant and title to the horse shall be determined under Rule 2444(a) above among only those claimants validly using their Claiming Preference. The unsuccessful claimant(s) (i.e., those not winning the lot draw/shake) retain their Claiming Preference.
- (9) If an owner validly exercises the owner's Claiming Preference and is awarded the claim and title to the claimed horse, that Claiming Preference will then expire.
- (10) Once a Claiming Preference is validly used by the owner, and the owner is awarded the claim and title to the claimed horse, the owner will receive a subsequent Claiming Preference upon having another horse claimed.
- (11) The Racing Office shall post a list of owners with Claiming Preferences before 11 a.m. each live racing day. Such list shall reflect all owners with Claiming

Preferences available for use beginning with the first race on such racing day (i.e., shall reflect all owners with Claiming Preferences through the conclusion of racing on the most recent prior racing day).

(12) Claiming preferences are not transferable.

**ARC HR 2445.** For a period of twenty-seven (27) days after the claim, a claimed horse shall not start in a race in which the determining eligibility price is less than twenty-five percent (25%) more than the price at which it was claimed. The day claimed shall not count for purposes of counting the applicable twenty-seven (27) day period, and for this purpose the following calendar day after the day claimed shall be the first day. The horse shall be entitled to enter whenever necessary so that the horse may start on the twenty-eighth (28th) calendar day following the claim, for any claiming price.

### **ARKANSAS COGGINS RULE**

While shipping in Arkansas, current state law requires that your horse be accompanied by a current original, true copy of a negative Coggins test along with its health certificate.

Every horse in Arkansas, (ponies included), must have a current negative Coggins test dated to have been drawn in the last year. If a change of ownership of that horse occurs, a Coggins test is required dated to have been drawn within the past 6 months. In the case of claimed horses where the Coggins test is greater than 6 months old, the new owner must acquire a new Coggins test and have it registered with the Racing Office within 7 days of the date of the claim. It is important to note, this is regardless of whether or not you intend to race the horse. The expense of the Coggins test of the claimed horse is the responsibility of the new owner. We recommend you consider renewing Coggins certification on all your livestock at the beginning of each year. This will cover you through the Oaklawn meet and help cut down on confusion for everyone.

As these laws are enforced by the State Livestock and Poultry Commission, and highway shipping inspections are done by the State Police, please be aware that failure to comply could result in detention, prosecution, or fines. If you have questions regarding the Arkansas Coggins Act, please do not hesitate to contact the Commission Veterinarian at 1-800-OAKLAWN ext. 4585.

In addition, all horses being shipped to Oaklawn must have a certificate of veterinary inspection/health certificate signed by an accredited veterinarian that meets the following criteria:

- (1) Certificate of veterinary inspection within the prior 5 Days or fewer if high risk situation dictates:
- (2) Verification of vaccination for: EEE, WEE, WNV(encephalitis), Rabies, and Tetanus Vaccination within the prior twelve (12) Months:

The Owner specifically and distinctly assumes the responsibility for purchasing liability insurance containing contractual coverage of the agreement, with minimum limits of \$1 million, but otherwise, neither the Owner nor the undersigned shall have any obligation to indemnify Oaklawn with respect to third party claims made against Oaklawn's own negligence.

Each owner and trainer is responsible for any damage done to the physical property of the stables they occupy and agree to reimburse Oaklawn for expenses associated with the repair of any such damage(s), beyond normal wear and tear, caused by means other than a natural event.

In making this application to participate in Thoroughbred racing, it is understood that an investigative report may be made whereby information is obtained through personal interviews with third parties, such as family members, business associates, financial sources, friends, neighbors, or others with whom you are acquainted. Oaklawn and the Arkansas HBPA have partnered to form the Arkansas Thoroughbred Retirement and Rehabilitation Foundation, Inc., a 501 (c) (3) non-profit organization, in an effort to ensure quality aftercare for all Thoroughbreds that race and/or train at Oaklawn. A \$5 per start fee will be collected from each owner's account and contributed to Thoroughbred aftercare for every horse that starts at Oaklawn. Furthermore, this amount will be matched by Oaklawn and the HBPA to double the impact. Participation is optional.

### **RING THE BELL**

The Arkansas Thoroughbred Retirement and Rehabilitation Foundation, Inc. has a bell program to raise awareness and additional funds. It invites owners or trainers to ring the bell prominently placed in the winner's circle anytime they win a race and donate a minimum of \$100 to the program.

# SPECIAL NOTICE

The Rules of Racing adopted by the Arkansas State Racing Commission govern all races over the course of the Oaklawn Jockey Club. Nominations to these stakes are received only with the understanding that the entries of any person, or the transfer of any entry, may be refused with or without either notice or reason being given therefor.

The franchise holder, with permission from the Stewards, shall have the right to refuse the acceptance of any nomination to any stakes race, and to revoke any previously accepted nomination, for any reason. If a nomination is denied or revoked, all nomination fees tendered or paid with respect to the horse for its nomination for such race shall be returned to the owner of the horse whose nomination was denied or revoked.

However, denial or refusal to allow a horse to enter or start because of a race being postponed or cancelled; overfill of entries; failure to satisfy any eligibility condition; scratch by Stewards for horse's actions in paddock, during warm-up, or in starting gate (including breaking through the gate), scratch by Stewards on advice of track or state veterinarian, or scratch by Stewards for violation of any other rule, shall not be grounds for refund of any nomination fee.

No nomination will be received except upon this condition: That all disputes, claims and objections arising out of the race or with respect to the interpretation of the conditions of any stakes shall be decided by the officers of this Association, or those whom they may appoint, and their decision upon all points shall be final; provided, matters under the jurisdiction of the Arkansas Racing Commission shall be decided by the Stewards, subject to appeal to the Arkansas Racing Commission in accordance with its rules.

Oaklawn Jockey Club reserves the right to produce or exhibit still or motion pictures, radio and television programs or authorize others to make or exhibit still or motion pictures, radio and television programs of certain races and related events occurring prior and subsequent to running of said races. The acceptance of stall accommodation or making an entry in any race shall mean that the applicant (owner of horse) grants his consent to the above condition without remuneration to himself, and that that applicant has secured like consent from his jockey, trainer, groom, agents and associates connected with his racing activities, and consents upon demand to deliver to the Oaklawn Jockey Club such consent of any aforementioned persons permitting it to use and exhibit such material as provided above.

The Oaklawn Jockey Club reserves the right to start all races with or without stall gate starting machine. However, the maximum number of starters in any race shall be limited to the number of starting positions afforded by the Oaklawn Starting Gate and extensions thereof. The maximum number of starters shall further be limited by the number of horses which, in the opinion of the Stewards, considering the safety of the horses and riders, can be afforded a fair and equal start. A fully paid entry in a stakes race, when denied the opportunity of starting because the number of entries exceeds the capacity of the Oaklawn Starting Gate and extensions thereof, or other maximum number established by the Stewards as set forth above, will be entitled to a refund of nomination and/or entry box fee.

In Handicap Stakes and overnights, preference will be given to highweights. The Oaklawn Jockey Club reserves the right to cancel these stakes, or any one or more of them, at any time prior to the actual running thereof, without liability, except for the return of the nomination money, should any unforeseen conditions prevent it from holding its regular race meeting or such stake race, or if, because of inclement weather or other legitimate safety concerns, it reasonably deems the running of such race imprudent in the circumstances.

In making this application to participate in thoroughbred racing, it is understood that an investigative report may be made whereby information is obtained through personal interviews with third parties, such as family members, business associates, financial sources, friends, neighbors or others with whom you are acquainted. This inquiry includes information as to your character, general reputation, personal characteristics and mode of living, which may be applicable. You have the right to make a written request within a reasonable period of time for a complete and accurate disclosure of additional information concerning the nature and scope of the investigation.

It is hereby agreed that Oaklawn shall not be liable for, and that the owner and/or lessee of the horse ("Owner"), assumes full responsibility for, and the undersigned (for himself and on behalf of the Owner and their respective agents, employees and associates) hereby releases Oaklawn from and against any and all responsibility or liability or claim for injury, death or damage to any person, horse or other property of the Owner or the undersigned, or their respective agents, employees or associates, whether by negligence of Oaklawn or otherwise on the premises of Oaklawn.

The Owner specifically and distinctly assumes the responsibility of purchasing liability insurance containing contractual coverage of the agreement, with the minimum limits of \$1,000,000, but otherwise, neither the Owner nor the undersigned shall have any obligation to indemnify Oaklawn with respect to third party claims made against Oaklawn for Oaklawn's own negligence.
